[Parte 1]
C                     G          Am7     F7M
I don't mean to get so sentimental
C                 G                     Am7     F7M
It's pathetic and I know it, but I can't help it
C                 G
Wanted you to be just like
         Am7              F7M                       C
The architecture of the person I made in my mind

                          G
So why'd you have to go and leave the door
          Am7        F7M
Just a little bit open?

[Refrão]
C                 G                 Am7
Wherever you go, I'll follow you home
    F7M                       C
I'll always be your ghost
              G           Am7      F7M
Look at me now, just a shadow of who I once was
          C                             G
And I know I'm not what you want, but I can't let go
     Am7                      F7M
Of that little moment I thought I was yours
C                 G                 Am7
Wherever you go, I'll follow you home
        F7M           C
I'll always be your ghost

[Parte 2]
          G           Am7      F7M
If all we need is love, ooh
C           G          Am7        F7M
Then why is it so damn confusing?
   C                          G
If I'd known it back at the start
     A7M                       F7M
Would I have been so brave to giv? you a just place in my
heart?
            G                         Am7      F7M
```
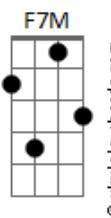

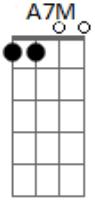

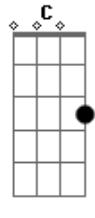

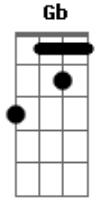

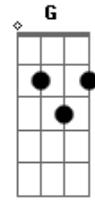

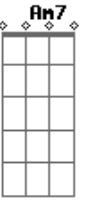

I savor the wounds, pr?tendin' like I'm self-soothin', ooh

```
[Refrão]

Look at me now, just a shadow of who I once was
          C                             G
And I know I'm not what you want, but I can't let go
     Am7                      F7M

[Poonte]
G                                                   Am7
Now that you've closed the door that you once left open

Now, yeah
G
And I'm stood here wantin' to knock it
                 F7M
But too scared to have my heart broken again

[Refrão]
C                 G                 Am7

I'll always be your ghost
              G           Am7      F7M
Look at me now, just a shadow of who I once was
          C                             G
And I know I'm not what you want, but I can't let go
     Am7                      F7M
Of that little moment I knew I was yours
C                 G                 Am7
Wherever you go, I'll follow you home
