Sigrid - In Vain

Tom: G

Fm D I don't know, seems crazy how we got this far D There's something 'bout you that felt pretty good Fm That I can't see anymore D Should've known, but I got stuck here in your arms D But you hold onto me like you're holding your demons Em As we're lying in the dark D C It's you I'm gonna miss The one I tried to fix Pathetic as it is G D So don't you stay if you don't mean it D Em D If you don't feel it and just fuck me up again G D Please walk away, and we'll just leave it Em D Or were you thinking I would give my heart in vain? D G I won't give my heart in vain, in vain D Em D No, no, no, no, oh D Should've questioned how you tried to keep it low Never listened to all the alarms in my mind Em That were telling me to go D Em You never talk, you keep your feelings underground G D Never pictured myself as someone to catch you on the rebound D

It's you I'm gonna miss G The one I tried to fix
