

# Sigrid - Raw

Tom: Gb

m  
If I show I'm fragile  
Would you go ahead and find somebody else?  
And if I act too tough, know that I care bout you  
I'm honest, no offense

No, I could never fake it  
Like players always playing  
Arrest me if I hurt you  
But no apologies for being me

I just wanna be pure  
You know I'm terrible at putting up a show, oh  
That's what you wanted me for?  
So I get pissed off when you ask me to be more  
Oh, I just wanna be raw  
Oh, I just wanna be raw

Keeping up appearances  
But sometimes, all we need's a little break  
Regret the stupid shit I say  
I hope that you forgive me any day

No, I could never fake it  
Like players always playing

Arrest me if I hurt you  
But no apologies for being me  
I just wanna be pure  
You know I'm terrible at putting up a show, oh  
That's what you wanted me for?  
So I get pissed off when you ask me to be more  
Oh, I just wanna be raw  
Oh, I just wanna be raw

That's what you wanted me, that's what you wanted me  
That's what you wanted me for?  
No, I just wanna be, no, I just wanna be  
I just wanna be raw  
Arrest me if I hurt you  
But no apologies for being me

I just wanna be pure  
You know I'm terrible at putting up a show, oh  
That's what you wanted me for?  
So I get pissed off when you ask me to be more  
Oh, I just wanna be raw  
Oh, I just wanna be raw  
I just wanna be raw
