Silverchair - Acid Rain

Tom: G

   Standard Tuning actually

h-hammer on
 -bend

The riff before the verse

For the verse and chorus play E G D

credit goes to Mike Stramaglio for this solo
Solo (again i am posting from memory but this should be right)

In the last measure of the solo hit the first bend
as you are bending up and then quickly hit the 15th fret with your pinky to
get the right sound.
