

## Silverchair - Anthem For The Year 2000

```
We'll make it up to you in the year 2000 with...
Tom: E
   TUNING - Dropped D (tune low E down one whole step)
                                                                  (wah half open)
/ - slide up
 - slide down
                                                                VERSE (with wah half open)

    vibrato/trill note

 (#) - bend
X - scrape muted string
                                                                Never knew we were living in a world with a mind that could be
                                                                so sure
                                                                Never knew we were living in a world with a mind that could be
<u>Intro: Drum</u>s kick in, feedback
                                                                so small
(played faintly, in background, with wah in closed position)
                                                                Never knew we were living in a world and the world is an open

                                                                Make it up to you in the year 2000
                                                                Build it up for you in the year 2000 with you...
VERSE
                                                                BRIDGE
                                                                GTR 1
            REST
                                                                GTR 2 (with closed wah)
j - - - - - - - - - - - - X- - - j
We are the youth, we'll take your fascism away
                                                                GTR 3 (with wah)
We are the youth, apologise for another day
                                                                (tremolo pick)
                                                 feedback
We are the youth, and politicians are so sure
We are the youth, and we are knocking on death's door
                                                                VERSE
CHORUS
GTR 1
                                                                Never knew we were living in a world with a world that could
                                                                be so sure
                                                                Never knew we were living in a world with a mind that could be
Never knew we were living in a world with a mind that could be so small
                                                                Never knew we were living in a world and the world is an open
Never knew we were living in a world with a mind that could be
                                                               court
so small
                                                                Maybe we don't want to live in a world, world who cares at all
GTR 2 (distortion)
                                                                CHORUS 3X
  (the signal is cut off while holding these notes)
GTR 1
                                                                We'll make it up to you in the year 2000
GTR 2 (distortion)
