Afinação: DADGBE

(Começa com o baixo)
Intro: dução:

```
G|-------------------|4x somente o baixo
D|-------------------|
A|----------3------5-|
D|--0-0-3s5--0-3s5---|
  |                  |
B|-------------------|  (x3)
B|-------------------|A guitarra entra na quinta
G|-------------------|vez do riff do baixo e segue
D|-------------------|conforme a tablatura demonstra.
A|--5-5-5-5----------|
D|--0-0-0-0----------|
```

Na 4x :

Verso:
   PM-| PM-| PM-| PM-|
   Hate is what I feel for you,   and I want you to know
that I want you dead
   You're late for the execution...   If you're not here
soon, I'll kill your friend instead

Refrão:
   PM-| PM-| PM-|

   All the pain I feel, couldn't start to heal, although I
would like it to

Verso:

Acordes

   I hate you and your apathy, you can leave, you can leave, I
don't want you here
   I'm playing this pantomime, but I don't see you showing any
signs of fear

Refrão:
   PM-| PM-| PM-|

All the pain I feel, couldn't start to heal, although I would
like it to
This time I'm for real, my pain can not heal, you will be dead
when I'm through

Guitarra 1   fdbk.   fdbk.

Guitarra 2   fdbk.

Hate is what I feel for you, and I want you to know that I
want you dead
You're late for the execution... If you're not here soon, I'll
kill your friend instead

Refrão

   PM-| PM-| PM-|

Na 2a vez repita o final(escute a música e pegue o ritmo).

Final:
   PM-|

Pain and execution, put your hands in the air
Put your hands in the air, the air... yeah
