

# Silverchair - Miss You Love

Tom: **G**

**C** Millionaire say **G**  
**D**  
 Got a big shot deal  
 And thrown it all away, but **C**  
**G**  
 But I'm not too sure  
**D**  
 How I'm supposed to feel  
 Or what I'm supposed to say, but

refrão:

**C** I'm not, **G** not sure, **C** not too sure how it feels **G** **Am**  
**Em**  
 To handle every day  
**Am** **G** **D**  
 And I miss you, love

**C** Make room for the prey **G**  
**D**  
 'Cause I'm coming in  
 With what I wanna say, but  
**C** **G**  
 It's gonna hurt  
**D**  
 And I love the pain  
 A breeding ground for hate, but

refrão:

**C** I'm not, **G** not sure, **C** not too sure how it feels **G** **Am**  
**Em**  
 To handle every day

Like the one that just past **Am**  
**D** **Bb** **C**  
 In the crowds of all the people  
**Gbm** **E**  
 Remember today

**Gbm** **E**  
 I've no respect for you  
**D** **A** **E**  
 And I miss you, love (2x)

solo: **C** **G** **D** (2x)

**C** I love the way you love **G**

**D**  
 But I hate the way  
**C**  
 I'm supposed to love you back and  
**G**  
 It's just a fad  
**D**  
 Part of the, teen, teenage angst brigade and

refrão:

**C** I'm not, **G** not sure, **C** not too sure how it feels **Am**  
**Em**  
 To handle every day

Like the one that just past **Am**  
**D** **Bb** **C**  
 In the crowds of all the people  
**Gbm** **E**  
 Remember today

**Gbm** **E**  
 I've no respect for you  
**D** **A** **E**  
 And I miss you, love  
**D** **A** **E**  
 And I miss you, love

**Gbm** **E**  
 Remember today  
**Gbm** **E**  
 I've no respect for you  
**D** **A** **E**  
 And I miss you, love  
**D** **A** **E**  
 And I miss you, love

**C** I love the way you love **G**  
**D**  
 But I hate the way  
**C** **G** **D**  
 I'm supposed to love you back
