

Silverchair - Staging a traffic jam

Tom: **G**
Intro: /verse (electric piano arranged for guitar)

Played with variations.

A burning bridge
Staging a traffic jam
Intention stained upon expression
Eyes the sky's darkest clouds
Constipated mountains of condensation

G A Bb Eb

Eyes the sky's darkest clouds
Constipated mountains of condensation

Verse

at the start there was innocence
breaks my heart doesn't make no sense
just start again thats the recompense
just learning to fly

in a sense
its innosence

its my only defense
on a guilt trip
and being held hostage

see this chair see this empty room
theres my heart theres my open wound
'cause the end always comes too soon
just try to get by!

Bass part

Guitar 1

I'll wrap my heart around you
I'll wrap my arms around you
Falling down the stairs
