

# Silvestre Kuhlmann - Abraça-me, Senhor!

tom: D

Abraça-me, Senhor, bem de perti- nho  
 E beija a minha face tão impu- ra  
 Quem sabe, o teu Amor me transfigura  
 E muda em luz as sombras do cami- nho?

Abraça-me, Senhor, devagari- nho  
 Meu coração precisa desta cu- ra!

Não faz mal se a Coroa me perfura  
 Com a ponta aguçada de um espinho

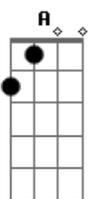

Abraça-me, Jesus! Oh! Sim, abraça  
 Todo o meu ser envolto em tua Graça  
 Para voltar à inicial nudez

Pois, assim, nos teus braços envolvi- do  
 Hei de sentir-me salvo e redimi- do  
 Como se fosse da primeira vez!
