

# Silvestre Kuhlmann - Feridas Abertas

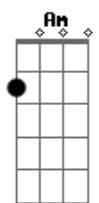

tom:

G  
 Feridas abertas, abertas há tempos  
 Expostas ao vento, escondidas por dentro  
 Chagas inflamadas que se forem tocadas  
 Trarão uma dor lancinante  
 Parecem incuráveis  
 Melhor escondê-las  
 Melhor protegê-las

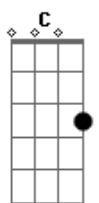

Melhor esquecê-las

Em7 G7M A(add9)# Em  
 Mas elas crescem, minhas mazelas  
 Esbarram nas paredes  
 Aparecem nas vestes  
 Como protuberâncias  
 Mas elas crescem, minhas mazelas  
 Esbarram nas paredes  
 Aparecem nas vestes  
 Como protuberâncias  
 Feridas abertas
