

Silvestre Kuhlmann - Minha Cruz

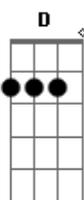

tom:
D
 Contemplo a tua Cruz escureci- da
 D(add9) **Em** **D7M** **G**
 E vejo o poste erguido em vertical,
Am7 **A7**
 Verdadeiro convite ascencional
Am7 **A7**
 A mergulhar em Deus a minha vida.
 D(add9) **Em** **D7M** **G**
 Mas logo tenho a vista dirigi- da
 D(add9) **Em** **A** **A7**
 Aos braços, em sentido horizontal,

Am7 **A7**
 Que chamam da maneira mais cabal
A **A7** **D(add9)**
 A ver ao lado a multidão ferida.
G **G(#5)** **G**
 Senhor, que a minha cruz não seja tor- ta,
D(add9) **D** **D7M** **D**
 Não seja um quadro em natureza mor- ta,
A **A7(#11)** **G** **D**
 Sem dar espaço à dor de meu irmão!
G **G(#5)** **G**
 E se o amor meu coração inun- da,
D(add9) **D** **Bm7** **B7**
 O tronco da Oliveira me fecun- da
Em7 **A** **D(add9)**
 E derrama seus frutos pelo chão...
