

# Silvestre Kuhlmann - No Escuro

tom:

D

Vêm-me arrastar as tuas correntezas  
 Vêm-me envolver vorazes remoinhos  
 A tua inundação faz meus caminhos  
 E tua errância leva-me as certezas

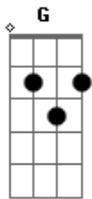

As tuas avalanchas são surpresas  
 Minando a segurança de meus ninhos  
 Devo migrar tal como os passarinhos

Em7 A7 A7  
 Como essas aves pobres e indefesas

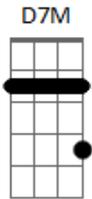

Teus ventos... Ah! Terríveis ventanias  
 Esbatendo manhãs em noites frias  
 Rasgam velas, soçobram galeões!

Prosseguirei no escuro esta viagem  
 Buscando pela noite a tua Imagem  
 Farol que traz a Luz aos corações
