

Silvestre Kuhlmann - Novo?

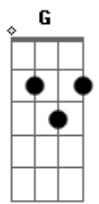

tom:
 G
 Correndo passa ano, entra ano
 É sempre a mesma mirrada vida
 Mesma luta renhida, mesma lida
 Só sobe outro repetido pano
 É sempre o mesmo velho retrato
 Que se mostra, no repetido palco

Haverá quem possa tentar salto?
 Temos de caminhar, comer do prato?
 Talvez, a nossa requentada peça
 Tenha, perpetuamente, de ser essa
 Mas seja possível mudar o ator
 Talvez, nessa modorrenta mesmice
 Que já vige, desde a meninice
 A gente possa injetar amor!
