

Silvestre Kuhlmann - O Mar Se Abriu

Tom: F

Na frente o mar Vermelho, atrás o exército do Egito;
Desse mato não sai coelho
Ou me afogo, ou me matam, e eu grito!

Mas Deus disse a Moisés: "Dize aos filhos de Israel que marchem!"

E Moisés levantou seu bordão e o vento abriu o mar.

Que milagre! Enxutos meus pés! Os egípcios na outra margem
Os seus carros, presos ao chão, não conseguem, direito, andar.

E outra vez Moisés levantou a mão, e o mar, um muro, um montão
Desabou sobre os carros de Faraó e deles, vivo, não restou um só!

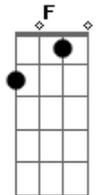

Então Moisés cantou alegremente: "O Senhor triunfou gloriosamente

Lançou no mar o cavalo e seu cavaleiro e salvou o nosso povo inteiro!"

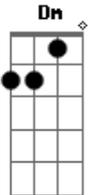

Então Moisés cantou alegremente: "O Senhor triunfou gloriosamente

Lançou no mar o cavalo e seu cavaleiro e salvou o nosso povo inteiro!"
