

# Silvestre Kuhlmann - Olhar, Voz, Semblante

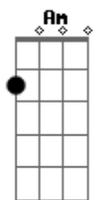

tom:  
**G**  
 E(add9)  
 Num mundo enquadrado e imposto  
 A(add9)  
 De máscaras mil de disfarce  
**Gbm** **B**  
 É tão precioso encontrar-se  
 E(add9) **Am**  
 O olhar transparente num rosto.  
 E(add9)  
 Em tempos de digo, não digo;  
 A(add9) **A**  
 De fala ensaiada e vazia  
**Gbm** **B**  
 É doce escutar a poesia  
 E(add9) **Am B7 E7**

De lábios honestos e amigos.

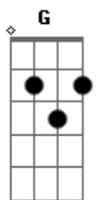

A(add9)  
 Num clima de gestos tão duros,  
**Abm** **C#sus**  
 Distantes, mesquinhos, pequenos;  
**Gbm** **Gbm** **D**  
 É terno um semblante sereno  
**B** **B7**  
 Que vem de um espírito puro.

E(add9)  
 Que tal desejar doravante  
 A(add9) **A**  
 A luz de um olhar transparente  
**Gbm** **B**  
 E a voz que expressa o que sente  
**Am** **E(add9)**  
 Num insofismável semblante?
