

Silvestre Kuhlmann - Prazo Vencido

tom: G

Vejo mais uma vez
 Minha vida em suspense
 Eu pensei ter achado enfim
 O repouso

Isto em minha história
 É algo fora de uso
 Quem me vê este sim é feliz!
 Talvez pense

Passou da validade?
 Alegria, assim, vence
 E vencido outra vez
 A vitória não ouso

Me contento com pão
 Com trabalho, algum pouso

Agarrando com força
 Qualquer outra chance

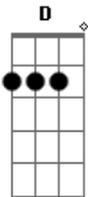

E sem querer vitória eu busco o empate
 E sem querer vitória eu busco o empate

Me machuco nos lances
 Deste novo embate
 Resulta do?
 Não me surpreendo : derrotado

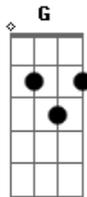

Pode ser que, da vida
 Já gastei a cota
 Ou do fato eu seja
 Mais um anedoto

Eu desisto antes que
 A esperança me mate
