

Silvestre Kuhlmann - Psicanalista

tom: G

Bm7 Gbm7
Eu quero, com meus lábios, teus lábios provar

Abm7 Gm Bm7
Até desfrutar todo o gosto que neles há

Gbm7 G7M
Eu quero teu rosto suave afagar

Abm7 Gm F7M
Até desvendar a leveza que tua pele me impele a tocar

Em7 A7 D7M
E existem mais coisas que quero fazer

Gm Bb Bm7
Não vou revelar, tenho medo de levar um tapa

Gbm7 G7M
Não se assuste, este meu lado silvestre-selvagem

Abm7 Gm

Estará aprisionado, domado, dominado

Bm7 Gbm7 G7M
Eu quero teus olhos risonhos mirar

G7M Abm7 Gm Bm7
Até me desconcertar e o resto do mundo se ofuscar

Gbm7 G7M
Eu quero um sorriso em você provocar

Abm7 Gm
Pra mais uma vez me fascinar

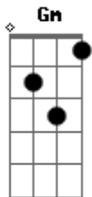

F7M Em7 A7 D7M
E aquelas coisas que quero fazer, eu vou revelar

Gm Bb Bm7
vale a pena o risco de um tapa, pode bater

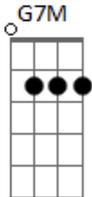

Gbm7 G7M
por você eu viro masoquista

Abm7 Gm Bm7
Me deito no seu divã de psicanalha, psicanalista
