

# Silvestre Kuhlmann - Solo Dios Basta!

tom: D

Quero seguir contigo toda a vida  
 De pensamento puro e de alma casta  
 Pois nada mais - só teu Amor me bas- ta  
 Ao longo desta estrada tão sofrida!

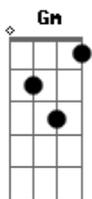

Pelo deserto, a ardência é desmedida  
 Pelo oceano, o vento me devasta  
 Mas teu Amor - só teu Amor me bas- ta

Para firmar minh'alma enfraqueci- da!

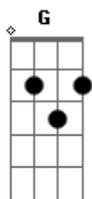

Ainda sofro, às vezes, quando alguma  
 Triste manhã se veste toda em bruma  
 E lúgubre desânimo me arrasta

Mas logo à tua Face volto os olhos  
 E, mesmo entre rochedos, entre escolhos  
 O teu Amor - só teu Amor me bas-ta!  
 Me basta
