

Silvestre Kuhlmann - Vida Plena

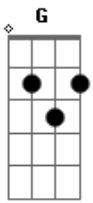

tom: **D** **D** **G D**
 Se a confusão sufoca a minha mente
 Se a depressão anula os meus sentidos
 Nos braços de Jesus logo estendidos
 Minha alma encontra a paz serenamente
 Se vem a febre em seu incêndio ardente
 Se a dor distende os músculos doridos
 Os dedos de Jesus, compadecidos
 Socorrem-me a fraqueza

Am D7
 Num repente
Gadd9 **A**
 Jazendo no meu leito solitário
Gbm Gbm B7
 Sinto um rio que brota do Calvário
Em A7
 Para afogar o mal e dar saúde
D G D
 E mesmo que haja nuvens no horizonte
G G
 O Coração aberto é nossa Fonte
Em D Gadd9 G G D
 - Só Cristo tem a vida em plenitude!
