**F7** **Bb7M**  
 Miré en la bola de cristal  
**Gm7** **C7**  
 Prendí la mecha, me hizo un click la cabeza  
**F7** **Bb7M**  
 La respuesta estaba adentro amor

**Eb** **D7**  
 Ese misterio tan universal  
**Gm7** **C7**  
 Que nunca podré descifrar

Salió el sol, es por vos

**Gm7** **C7**  
 Dame un poco más de tu veneno  
**F7** **Bb7M**  
 Que no puedo sin tu calor  
**Gm7** **C7**  
 No voy a parar hasta sentirlo

 Tiré los dados, solté la imaginación  
**F7**  
 Y ahora tengo la carta
