

Simon & Garfunkel - The Sound Of Silence

Tom: E

m

[Primeira Parte]

Em Hello, darkness, my old friend D
I've come to talk with you again Em
Because a vision softly creeping G C G
Left its seeds while I was sleeping C G
And the vision that was planted in my C
Brain G
Still remains Em
Within the sound of silence D Em

[Segunda Parte]

In restless dreams I walked alone D
Narrow streets of cobblestone Em
'Neath the halo of a street lamp G C G
I turned my collar to the cold and damp C
When my eyes were stabbed by the flash G
Of a neon light Em G
That split the night D
And touched the sound of silence Em

[Terceira Parte]

And in the naked light I saw D
Ten thousand people, maybe more Em

G C G
People talking without speaking
C G
People hearing without listening
C
People writing songs that voices never
G
Share
Em G
And no one dare
D Em
Disturb the sound of silence

[Quarta Parte]

D
Fools, said I, you do not know
Em
Silence like a cancer grows G C G
Hear my words that I might teach you C G
Take my arms that I might reach you C G
But my words like silent raindrops fell Em D Em
And echoed in the wells of silence

[Quinta Parte]

D
And the people bowed and prayed Em
To the neon god they made G C G
And the sign flashed out its warning C G
In the words that it was forming
And the sign said C
The words of the prophets are written G
On the subway walls Em
And tenement halls G D Em
And whispered in the sound of silence
