

# Simone - Dandara

Tom: D

Ivan Lins / Francisco Bosco

[Intro:] G C D

Ela tem nome de mulher guerreira  
 E se veste de um jeito que só ela  
 Ela vive entre o aqui e o alheio  
 As meninas não gostam muito dela  
 Ela tem um tribal no tornozelo  
 E na nuca adormece uma serpente  
 O que faz ela ser quase um segredo  
 É ser ela assim, tão transparente

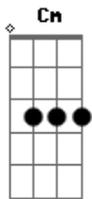

Ela é livre e ser livre a faz brilhar  
 Ela é filha da terra, céu e mar  
 Dandara

Ela faz mechas claras nos cabelos  
 E caminha na areia pelo raso  
 Eu procuro saber os seus roteiros  
 Pra fingir que a encontro por acaso  
 Ela fala num celular vermelho  
 Com amigos e com seu namorado  
 Ela tem perto dela um mundo inteiro  
 E à volta outro mundo, admirado
