

# Simone - Mar e Lua

Tom: Bb

Chico Buarque

[Intro:] Gm Gm D7 Gm Gm D7 Eb F7

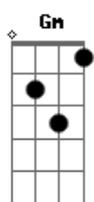

Bb7 D7 G7 G  
Amaram o amor urgente, as bocas salgadas pela maresia  
Eb Bb7  
As costas lanhadas pela tempestade  
Cm G7  
Naquela cidade distante do mar  
Eb B Cm  
Amaram o amor serenado das noturnas praias  
G7 C C7  
Levantaram as saias e se enluaravam de felicidade  
F F7

Naquela cidade que não tem luar

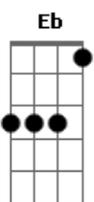

Bb7 Eb G7 Cm  
Amavam o amor proibido, pois hoje é sabido todo mundo conta  
Eb7 D7  
Que uma andava tonta grávida de lua  
D7

E outra andava nua ávida de mar  
E foram ficando marcadas, ouvindo risadas, sentindo arrepios  
Olhando pro rio, tão cheio de lua  
E que continua correndo pro mar  
E foram correnteza abaixo, rolando no leito  
Engolindo água, boiando com as algas, arrastando folhas  
Carregando flores e a se desmanchar  
E foram virando peixes, virando conchas, virando seixos  
Virando areia, prateada areia,  
Com lua cheia e à beira-mar
