

# Simone - Qui Nem Jiló

tom:

Intro: Bb C7 A Am D7 Gm C7 F

Se a gente lembra só por lembrar

Do amor que a gente um dia perdeu

Saudade entonce assim é bom

Pro cabra se convencer que é feliz sem saber

Pois não sofreu

Porém se a gente vive a sonhar

Com o amor que a gente um dia perdeu

Saudade, entonce assim é ruim

Eu tiro isso por mim, que vivo doido a sofrer

Ai quem me dera voltar pros braços do meu xodó

Saudade assim faz doer e amarga qui nem jiló

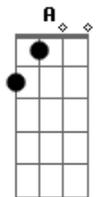

E ninguém pode dizer que me viu triste a chorar

Saudade meu remédio é cantar

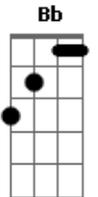

Saudade meu remédio é cantar
