Intro: G C F G C F G

F C F G
Secrets of lovers, whisper tonight
F C F G
Broken down angel, got lost in the cold daylight
F C F G
The city is screaming, I look for your eyes
F C F G
Someone to lean on through the night
F C F G
Your music talks to me, hits me tonight
F C F G
One candle burning, I hear you say

F C F C G
So let there be love, let there be love, oh yeah
C F C G C F C
Love, let there be love, oh yeah

F G
It heals and it hurts
F C F G
She leads you to Heaven's door and leaves you for dirt
F C F G
Someone to lean on, that's your own
F C F G
Some magic conquers me and lives in my soul

F C F G F
She comes like an ocean, I hear you sing
C F
Love will conquer anything

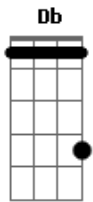

C F C G
Let there be love, let there be love, oh yeah
C F C Eb F G F Eb F
Love, let there be love

G F
The wall's down, they're coming down, I can't show, I know it now
Eb F
So stay now, hold on and I'm praying

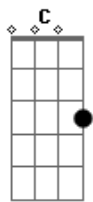

C F C G
So let there be love, let there be love, oh yeah
C F C G
Love, let there be love, oh yeah

G
I know what I want
F
I know what I feel
C G
I know what I want, alright
G
So let there be love
F C G C F C G C F C Bb G F
Bb
So let there be love, alright
