

Simple Plan - Astronaut

Tom: C

Can anybody hear me? Am F
Am I talking to myself? C G
My mind is running empty Am F
In the search for someone else C G
Who doesn't look right through me. Am F
It's all just static in my head C G
Can anybody tell me why I'm lonely like a satellite? Dm G

Cause tonight I'm feeling like an astronaut Am F
Sending SOS from this tiny box Dm G
And I lost all signal when I lifted up Am F
Now I'm stuck out here and the world forgot Dm G
Can I please come down, cause I'm tired of drifting round and round Am G F
Can I please come down?

Is it something that I've done? C G
I know that there are millions Am F
I can't be the only one who's so disconnected C G
It's so different in my head C G
Can anybody tell me why I'm lonely like a satellite? Dm G

Cause tonight I'm feeling like an astronaut Am F
Sending SOS from this tiny box Dm G
And I lost all signal when I lifted up Am F
Now I'm stuck out here and the world forgot Am F
Can I please come down?

Dm G
Can I please come down, cause I'm tired of drifting round and round
Can I please come down? Am G F
Now I lie awake and scream in a zero gravity Dm
And it's starting to weigh down on me. G F
Let's abort this mission now G
Can I please come down? Am G F

So tonight I'm calling all astronauts C F
Calling lonely people that the world forgot Dm G
If you hear my voice come pick me up C F
Are you out there? Dm
Cause you're all I've got! G
Cause tonight I'm feeling like an astronaut Am F
Sending SOS from this tiny box Dm G
And I lost all signal when I lifted up Am F
Now I'm stuck out here and the world forgot Dm G

Cause tonight I'm feeling like an astronaut Am F
Sending SOS from this tiny box Dm G
To the lonely people that the world forgot Am F
Are you out there? Dm
Cause you're all I've got! G

Can I please come down? Am F Dm G
Cause I'm tired of drifting round and round. Am F Dm G
Can I please come down? Am F Dm G
Can I please come down? Am F Dm G
Can I please come down? Am G F
