Imagine me and you, I do  
I think about you day and night

To think about the girl you love  
And hold her tight  
So happy together

( E,D,C,**Bm** )

If I should call you up  
Invest a dime  
And you say you belong to me  
And ease my mind  
Imagine how the world could be  
So very fine  
So happy together

( E,D,E,**G** )

I can't see me loving nobody but you  
For all my life  
When you're with me  
Baby the skies will be blue  
For all my life

( E,D,C,**Bm** )

Me and you  
And you and me  
No matter how they toss the dice  
It has to be  
The only one for me is you  
And you for me  
So happy together
