

Simple Plan - Promise

Tom: **Db**

This is Drop **D** tuning

There are 2 guitars i havent finished the solo ill get that in
in a few days but everything else
is there.

Intro: part 1 x2

Gt.1

Intro: part 2

Gt.1 x2

fill dont play last part of each gt in intro part 2 play this
Gt.1

verse 1 is same as intro part 1

prechorus

Both Guitars

chorus x2

Gt.1

Intro: part 2 and fill
verse 2

Gt.1 x2

time through

prechorus

chorus

bridge

Gt.1

Gt.2

Gt.2

solo

Gt. 1 x2

im still working on gt.2 solo but to give you an idea for now
its in b flat
heres what i know of the solo its the first 32 parts for Gt. 2
all i have left is the last part of it

new chorus

Gt.1

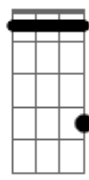

plays first chorus once
then gt.1 plays normal chorus while gt.2 plays the intro part
2

both guitars end on

hope this is right i think its pretty close
