

Simple Plan - This Could Never Happen

Tom: **C** Or stay where we just won't know

Play the intro 4x with heavy distortion
Intro:

Bass And drums only
Verse

I never could've seen this coming
I never thought this day would come
The day where you leave
And never come back

Chorus
Your a complicated girl
One that's hard to figure out
I guess i'll just drive you to the airport now
You'll forget about me I know you will somehow

Intro: Bass and drums only

Verse 2
I tried my best to make you stay
But your decision to go
Weather you'll come again

Solo

x2

Chorus
Your a complicated girl
One that's hard to figure out
I guess i'll just drive you to the airport now
You'll forget about me I know you will somehow

Chorus
Your a complicated girl
One that's hard to figure out
I guess i'll just drive you to the airport now
You'll forget about me I know you will somehow
