Simple Plan - Time To Say Goodbye
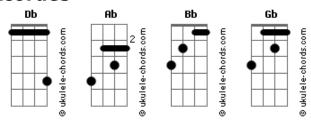

Tom: Db

```
   Db                      Ab
I just don't wanna waste another day
Bb                        Ab
I'm trying to make things right
Gb                Ab
But you shut it in my face
Db                          Ab
And all those things you've done to me i can't erase
Bb                    Gb
And I can't keep this inside
      Ab
It's time to say goodbye
```

```
(C#, F#, A#, Ab )
On the first day that I met you
I should've known to walk away
I should've told you you were crazy
And disappear without a trace
But instead I stood there waiting
Hoping you would come around
(C#, F#, Ab )
But you always found a way to let me down
It's time to say goodbye

(F#, C#, Ab )
I just don't want to waste another day (it's time to say
goodbye)
'Cause things will never be the same (it's time to say
goodbye)
You make me sick I need to walk away (it's time to say
goodbye)
It's time to say goodbye
```

(C#, F#, A#, Ab)

After all the things i've done for you
You never tried to do the same
It's like you always play the victim
and I'm the one you always blame
When you need someone to save you
When you think you're gonna drown
(C#, F#, Ab)
you'll just wrap your arms around me and pull me down
It's time to say goodbye

(F#, C#, Ab)
I just don't want to waste another day (it's time to say
goodbye)
'Cause things will never be the same (it's time to say
goodbye)
You make me sick I need to walk away (it's time to say
goodbye)
It's time to say goodbye

(A#, F#, C#, Ab)
Now I'm gone
It's too late
You can't fix your mistakes
I was trying to save you
From you
So you scream
So you cry
I can see through your lies
You're just trying to change me

(C#, F#, A#, Ab)
Somewhere in the distance
There's a place you'll need to go
I don't want you to hate me
But I think you need to know
You're waiting on my shoulders
And I'm sick of feeling down
(C#, F#, Db)
So I guess it's time for me to say goodbye
