

Simple Plan - When I'm Gone

```
Tom: F
                                                               Another day, another casualty
                                                               But that won?t happen to me
  Gm
I look around me But all I seem to see
                                                               ( Eb )
Is people going nowhere Expecting sympathy
                                                               Refrão:
                                                                                           Gm (hold)
It?s like we?re going through the motions
                                                               You're gona miss me when im goooooone
                                                                         Gm (hold)
Of the scripted destiny
                                                               When Im goooonneeee
Tell me where?s our inspiration
                                                               (Let?s go?!)
If life wont wait I guess it?s up to me
                                                               Won?t look back

Who-oahh
                                                               We?re gonna leave this world behind me
No we?re not gonna waste another moment in this town
                                                               Gonna take what?s mine tonight

                                                               You?re gonna wake up feeling sorry
Leave the past in the past gonna find the future
                                                               'cause life won?t wait
And misery loves company
                                                               I guess it?s up to you

Procrastination running circles in my head
While you sit there contemplating you?ll wind up left for dead
                                                                                                  Gm Eb Bb C D
