

Simplus - Águas Fundas

tom: G

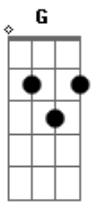

No meio do furacão
 No meio das curvas e contracurvas
 E buracos do pensamento
 Ouvi uma voz que dizia

Não tenhas medo

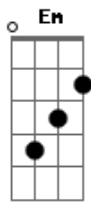

Porque do chão brotará
 Essa flor esperada
 E a verdade não será
 Nunca tua senão pela carne

Há um rumo na paciência
 Há beleza no que não tem cor
 Não tenhas medo
 De mergulhar nas águas fundas do amor
