    the one I hoped I had when I was a lad
                                                                                                                                                                                                                                                                                                      D Dm
                                                                                                                                                                                                                                                                                                                                           I do
                                                                                                                                                                                                                                                                              but in you
   your face is just beaming
                                                                                                                                                                                                                                                                         Then the SOLO:
    any way the four winds that blow
   they gonna send me sailing home to you
                                                                                                                                                                                                                                                                                                                                                                                               hev
   or I'll fly with the force of a rainbow
                                                                                                                                                                                                                                                                                                                                                                              Gbm
    the dream of gold will be waiting in your eyes
                                                                                                                                                                                                                                                                             you know I'd do almost anything you want every day I
                                                                                               Gbm
                                                                                                                                                                                                                                                                                                                                  Gbm
    you know I'd do almost anything you want hey,
                                                                                                                                                                                                                                                                             I try to give you everything you need
                                                                            Gbm
    I try to give you everything you need
                                                                                                                                                                                                                                                                             I'll always be there for you % \left\{ 1,2,\ldots ,2,3,\ldots \right\} =\left\{ 1,2,\ldots \right\} =\left\{ 1
    I can see that it gets to you
                                                                                                                                                                                                                                                                             I don't belive in many things
                                                                                                                                                                                                                                                                                           D
                                                                                   Ghm
                                                                                                                                                                                                                                                                              but in you
   I don't believe in many things
                  D
    but in you
                                                                                                                                                                                                                                                                                                                                                        Gbm
                                                                                                                                                                                                                                                                             I don't belive in many things
So the music goes like this:
                                                                                                                                                                                                                                                                                                      D
                                                                                                                                                                                                                                                                              but in you
   her faith is amazing
                                                                                                                                                                                                                                                                                                                                                        Gbm
                                                                                                                                                                                                                                                                              I don't belive in many things
    the pain that she goes through contained in the hope for you
                                                                                                                                                                                                                                                                              but you
   your whole world has changed
                                                                                                                                                                                                                                                                                                                       T do
    the years spent before seem more cloudy than blue
   in many ways your baby's controlling
                                                                                                                                                                                                                                                                          PS: The base of the music is played at the piano, but it is
                                                                                D
                                                                                                                                                                                                                                                                         cool if
   when you haven't laid down for days
                                                                                                                                                                                                                                                                                         played on the guitar.
