

# Sin Datos - ME ENCANTA

tom:

Bm

Me ENCANTÁ  
(SIN DATOS)

Bm Tanto esperé el momento ideal

D

Un enigma es descifrar

G7M

El tiempo

Bm

Sé que no hay poesía

Que pueda transmitir

El fin de lo imperfecto

Al final de tu nariz

Y dale

Llámame

D Em Gb7

Solo date una oportunidad

Bm Quiero que me lleves

En tu imaginación

D

Hablaría tanto de mí, como hablé de vos

E

Me encanta

G A

Que sea nosotros dos

Quiero hasta el cansancio

Soy tan literal

Si me convierto en algo, que sea metáfora

Me encanta

Me encanta

Gb

Nosotros dos

Bm ? D ? A ? E

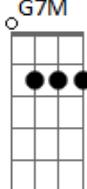

Bm ? D ? A ? Gb7

Verte reír es como florecer

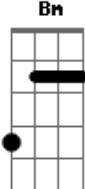

Una felicidad instantánea

Deshacer lo material
