

Sir. 0 - Glimmer of Hope

Glimmer of Hope

Ebm7 **Db**
Who says that the sky's blue?
B7M9 **Gb**
I'll paint it all for you
Ebm7 **Db**
Just take a quick look at me
B7M9 **Gb**
And let your love break free

Ebm7 **Db**
You say that you don't like that rain
B7M9 **Gb**
It makes you go insane
Ebm7 **Db**
Well I can make it stop
B7M9 **Gb**
Just give me a glimmer of hope

B7M **Db** **Bbm** **Ebm**
The sun would never burn itself out
B7M **Db** **Gb**
Flowers all about, only if you say the word
B7M **Db** **Bbm** **Ebm**

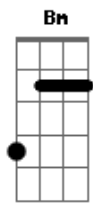

Fishes walking on the ground

B7M **Db** **Bm**
Turning on the sound, I can change the ways of the world
Gb
For you

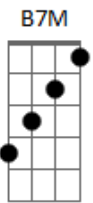

Halfdim
Just give me a glimmer of hope

Just give me a glimmer of hope

B7M **Db** **Bbm** **Ebm**
The sun would never burn itself out
B7M **Db** **Gb**
