Please stop talking

I can't be someone else  
I can only be myself  
It's not a race, this is a chase  
She's on my right, he's on my left

Oh you can trust me, that's for sure  
I won't lie to you anymore  
But you're so sad, it makes me mad  
I want to reach your heart's door

And maybe it's the perfect time for me  
To get down on my knees, and beg you to

Please stop talking, let's start kissing  
I've had enough of this conversation  
Please stop talking, let's start feeling  
Let's cut the take and get in action  
Please stop talking  
And maybe I shouldn't have lied to you  
When said that I don't, 'cause I do. Love you

Please stop talking, let's start kissing  
I've had enough of this conversation  
Please stop talking, let's start feeling  
Let's cut the take and get in action  
Please stop talking
