

Sister Hazel - Concede

Tom: **D**

Bm **G** **D** **A**
 Concede and believe me
 I won't give up--I won't give out on you
 Concede and believe me
 I won't give up--I won't give out on you
 Oh no no no-la la la la
 You...Oh no
 (Guitar full-on)
D **C** **G** **A**
 Now hear--I promise to listen
 Why won't you go for that
 Now hear--I promise to hold you
 Why won't you go for that
D **C** **G** **A**
 If I had wings and I could fly
 Well I'd still walk with you
 If I had a safe place to lie

I'd want to lay with you
 [Chorus]
D **C** **G** **A**
 So now you shut off and you shut down
 Won't let nobody in
 And when you shut off and you shut down
 Won't play that fool again
D **C** **G** **A**
 I've seen your inside--you stay inside
 And I won't go for that
 I've seen your quarters....
 Seen your crooked sacred pictures on the wall
 [Chorus]
G **D** **A**
 I'll be your jester--be your fool
 Compromising fool
G **D** **A**
 I'll be your jester--be your fool...
 [Chorus]
