Sister Hazel - Dreamers

Tom: G G D D Well, I guess they died when we got older D G D A Α Fm And when you lied, didn't have to Just turn around, turn away from me Before I lose my head (Solo) Em D2 C B Bb (4x) Α Just turn around but remember me G Em And how you left me dead inside Well, I don't know where I should go from here G Α DG D Cause I never expected this of us Α We were gonna be different Em Well, I'm only hanging on by a string D G D Α Now where did those dreamers go? Α And I don't know anything anymore Α Em I was the one who would paint the stars [chorus 2X] G And watched you while you slept D G D We were gonna be different D G D Em You were the one who held my heart Α Now where did those dreamers go? G Bb C And smiled as it leapt inside Α I guess they died when we got older D G D A D G D A Oh, we were gonna be different D G D A

Acordes

D G D ANow where did those dreamers go?

And when you lied, didn't have to
