

# Sister Hazel - Wanted It To Be

Tom: **E**

**E**

It's your world

**B**

And I was just someone in it

A2

I never wanted to be your problem

**E**

And it's your life

**B**

And I just wanted to see you live it

A2

Be the one to help you solve 'em

**B**

A2

I wanted--I wanted it to be

**B**

A2

I wanted--I wanted it to be-yeah yeah

Never claimed to be no savior

I never claimed to be no saint

I'm just another tool who tried to love you

Saw the ones before me

Then I saw the one who took my place

Took a lot of time just to get on by you.

(Chorus)

(Solo [play **B** A2 **E**])

(Chorus-Chorus)

**E**

It's your world

**B**

And I was just someone in it

A2

I never wanted to be your problem.
