

Six: The Musical - I Don't Need Your Love

tom:

F

Bb

You know I love you, boy

Dm

In every single way

Bb

Though I love you, boy

F

I'll miss you every day

Bb

Oh I love you, boy

Dm

I wish that I could stay with you

Bb F

And keep the life I made with you

Gm Bb Dm F

And even though this feels so right

Gm Bb Am A

I'm holding back the tears tonight

Dm Bb F

It's true I'll never be over you

Gm Dm Bb F

'Cause I have built a future in my mind with you

Gm Dm

And now the hope is gone

Bb F

There's nothing left for me to do

Gm Bb

You know it isn't true

A

But I must say to you

Bb F Gm Dm

That I don't need your love, no, no

Bb F Gm Dm

I don't need your love, no, no

Bb F Gm Dm

It'll never be better than it was, no, no

Bb F Gm Dm

But I don't need your love, no, no

Bb

I've got no choice

Dm

With the King I stay alive

Bb

Never had a choice

F A

Been a wife twice before, just to survive

Bb

I don't have a choice

Dm

If Henry says "It's you", then it's you

Bb

No matter how I feel

F

It's what I have to do

Gm Bb Dm F

But if, somehow, I had that choice

Gm Bb Am A

No holding back, I'd raise my voice

Dm Bb

I'd say, "Henry, yeah it's true, I'll never belong to

F

You

Gm Dm Bb

'Cause I am not your toy, to enjoy till there's

F

Something new

Gm Dm Bb

As if I'm gonna give up my boy, my work, my dreams

F

To care for you"

Gm Bb

"Ha, darling, get a clue"

A

There's nothing you can do

Bb F Gm Dm

I don't need your love, no, no

Bb F Gm Dm

No, I don't need you love, no, no

Bb F Gm Dm

There's nothing left to discuss, no, no

Bb F Gm Dm

But I don't need your love, no, no

Dm Bb F

But I can't say that

Dm Bb F

Not to the king

Gm Dm

So this is goodbye

Bb F

All my love, Catherine

Bb

So I sent that letter to my love

Dm

Got married to the king

Bb

Became the one who survived

F

I've told you about my life

Bb

The final wife

Dm

But why should that story

Bb

Be the one I have to sing about

F

Just to win? I'm out

Gm Bb Dm F

That's not my story

Gm Bb Dm F

There's so much more

Bb

Remember that I was a writer

Dm

I wrote books and psalms and meditations

Bb

Fought for female education

F

So all my women could independently

Bb

Study scripture

Dm

I even got a woman to paint my picture

Bb

Why can't I tell that story?

F

'Cause in history

Gm Bb Dm F

I'm fixed as one of six, And without him

Gm Bb Dm F

I disappear, We all disappear

So we had no choice

Bb

But now it's us alone

Dm

So we've got no choice

Bb

No, we've got no choice

F

We're taking back the microphone

Bb

I'm gonna raise my voice

Dm

They always said

Bb

"We need your love"

F

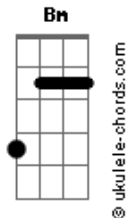

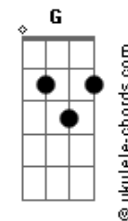

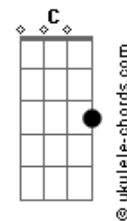

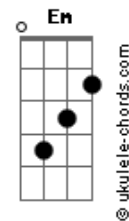

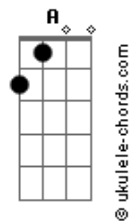

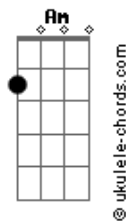

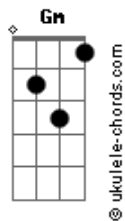

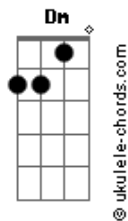

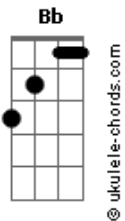

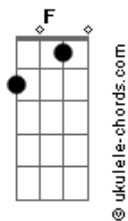

But it's time for us to rise above

Gm Bb Dm F
It's not what went down in history
