

Six10 Repeater - Today Somehow

tom:

E

Intro:

[illegible]

Intro: Eb

D Bb
I could sleep for hours

D
Days bleed into days

Gave you all this **Bb** passion

'Cause I don't need it

To see

Your special kind of ^Ginsincerity^A

D Bb
Anger makes me tired

D
Patience starts to fray

Sick of this indifference

G
 Took it always

'Cause I have seen ^A

G A

Your special kind of insincerity

How can I smile at you when I know you're to blame?

I've never worked so hard at something just to fail

With my feet on the ground
And my head in a cloud
And I know that something's got
To change

Today, somehow
So I give to you what I can't keep

[Guitar Break]

[Solo]

[Final]

How can I smile at you when I know you're to blame?

Acordes
