

Sixpence None The Richer - A Million Parachutes

Tom: Bb
Intro: Eb Bb Gm C
Chorus: Cm F Bb Eb

Eb Bb Gm
Like a million parachutes the snow's coming down
Eb Bb Gm
I'll lock up the front door and turn the lights down
Eb Bb Gm
In the glow of the street lights, i see them descend
Eb Bb Gm
Like a million parachutes, small men on a mission
Cm F Bb Eb
I miss the warm, i miss the sun
Cm F Bb Eb
I miss the ocean, i miss everyone
Cm F Bb Eb
I miss the bridges that span across the bay
Cm F Bb Eb

Tonight it seems like ages ago

Eb Bb Gm C
Like a million parachutes the snow still falls
C Eb Bb Gm C
The dogs are asleep now, there's no one to call
C Eb Bb Gm C
I'll put on some records and wait for the light
C Eb Bb Gm C
All those million parachutes, now a blanket of white
C Cm F Bb Eb
I miss the warm, i miss the sun
Cm F Bb Eb
I miss the ocean, i miss everyone
Cm F Bb Eb
I miss the bridges that span across the bay
Cm F Bb Eb
Tonight it seems like ages ago

Solo guitarra: Eb Bb Gm C (até voltar para o Refrão)
