**E7** **G** **A**  
Standing in the middle of a forest

**E7** **G** **A**  
Basking in the glorious autumn

**E7** **G** **A**  
Watching the leaves as they change from green

**E7**  
> From green to orange, yellow and brown

**G** **A** **D** **2** **D** **2** **E7** **G** **A**  
I\'m falling down, I\'m falling down

My emotions are deceiving me

Blinding my eyes from my nature  
Robbing my quiet solitude  
Of tranquility, of tranquility  
I\'m falling down, I\'m falling down

Chorus:

**E** **D2** **C7M**  
Oh, let these falling leaves cover me

**D2** **E**  
Let me sink into the ground

**D2**  
Never to be, never to be found

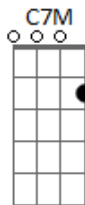

**C7M**  
Let me sink into the ground

**D2** **E7** **G** **A**  
Never to be found

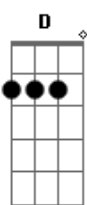

VAMP (3x)
