

# Sixpence None The Richer - Sooner Than Later

Tom: G

Intro: G D C

I guess we did what we thought we had to  
 But what we did it was it right?  
 Prouder than we should've been too many times  
 We walk way  
 And I always knew there'd be questions  
 And I know what you tried to do  
 You were something special  
 There was nothing simple about you

They say what's right isn't wrong  
 But I think that I'll make a wager  
 You carried alone until you felt out of danger  
 I wrote you this song, so won't you do me a favor  
 When it's my turn to fall  
 You'll catch me sooner than later  
 I'm missing those times tonight  
 Dark was dark, and light was light

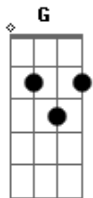

No, I knew you better  
 I know that you tried harder  
 They say what's right isn't wrong  
 But I think that I'll make a wager  
 You carried alone until you felt out of danger  
 I wrote you this song, so won't you do me a favor  
 When it's my turn to fall  
 You'll catch me sooner than later

I saw you standing by the road, yesterday  
 I saw your shadow fall across my waaaaaay

( G D C )

They say what's right isn't wrong  
 But I think that I'll make a wager  
 You carried alone until you felt out of danger  
 I wrote you this song, so won't you do me a favor  
 When it's my turn to fall  
 You'll catch me sooner than later
