Buried deep within
A **A**
Let them know with all you've got
A7 **Bm**
That you are not your skin

Oh

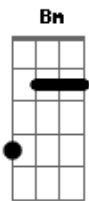

Bm
And when they start to judge you
Gbm
Show them your true colors
G
And do onto others
Bm **Gb**

As you'd have done to you

Just rise above this
Gbm
Kill them with your kindness

Ignorance is blindness
Bm **Gbm** **G**
They're the ones that stand to lose

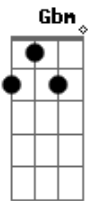

G
'Cause they don't even know you
D
All they see is scars
A
And they don't see the angel
Bm
Living in your heart
A **G**
Let them find the real you
