

# Skank - I Want You

Tom: G

<sup>G</sup>  
The guilty undertaker sighs  
<sup>Bm</sup>  
The lonesome organ grinder cries  
<sup>Em</sup> <sup>D</sup>  
The silver saxophones say I should refuse you  
<sup>C</sup>  
The cracked bells and washed-out horns  
<sup>D</sup>  
Blow into my face with scorn  
<sup>Em</sup>  
But it's not that way  
<sup>D</sup>  
I wasn't born to lose you

<sup>G</sup>  
I want you  
<sup>Bm</sup>  
I want you  
<sup>Em</sup>  
I want you  
<sup>D</sup>  
So bad  
<sup>G</sup>  
I want you

<sup>G</sup>  
The drunken politicians leaps  
<sup>Bm</sup>  
Upon the street where mothers weep  
<sup>Em</sup>  
And the saviours who are fast asleep  
<sup>D</sup>  
They wait for you  
<sup>C</sup>  
And I wait for them to interrupt  
<sup>D</sup>  
Me drinkin' from my broken cup  
<sup>Em</sup>  
And ask for me  
<sup>D</sup>  
To open up the gate for you

<sup>G</sup>  
I want you  
<sup>Bm</sup>  
I want you  
<sup>Em</sup>  
I want you  
<sup>D</sup>  
So bad  
<sup>G</sup>  
I want you

<sup>G</sup> <sup>Bm</sup>  
Now all my fathers, they've gone down  
<sup>Em</sup>

True love, they've been without it  
<sup>D</sup>  
But all their daughters put me down  
<sup>C</sup> <sup>D</sup>  
'Cause I think about it  
<sup>G</sup>  
Well, I returned to the Queen of Spades  
<sup>Bm</sup>  
And talk with my chambermaid  
<sup>Em</sup>  
She knows that I'm not afraid  
<sup>D</sup>  
To look at her  
<sup>C</sup>  
She is good to me  
<sup>D</sup>  
And there's nothing she doesn't see  
<sup>Em</sup>  
She knows where I'd like to be  
<sup>D</sup>  
But it doesn't matter  
<sup>G</sup>  
I want you  
<sup>Bm</sup>  
I want you  
<sup>Em</sup>  
I want you  
<sup>D</sup>  
So bad  
<sup>G</sup>  
I want you

<sup>G</sup>  
Now your dancing child with his Chinese suit  
<sup>Bm</sup>  
He spoke to me, I took his flute  
<sup>Em</sup>  
No, I wasn't very cute to him  
<sup>D</sup>  
Was I?  
<sup>C</sup>  
But I did it, though, because he lied  
<sup>D</sup>  
Because he took you for a ride  
<sup>Em</sup>  
And because time was on his side  
<sup>D</sup>  
And because I...

<sup>G</sup>  
I want you  
<sup>Bm</sup>  
I want you  
<sup>Em</sup>  
I want you  
<sup>D</sup>  
So bad  
<sup>G</sup>  
Honey I want you
