

Skeeter Davis - My Last Date With You

Tom: C

One hour and I'll be meeting you
 I know you're gonna make me blue
 My heart is trembling through and through
 'Cause I know very well I can tell I can tell
 This will be my last date with you

Just can't believe that this could end
 I know I'll never love again
 You'll ask me to be just a friend
 It's as plain as can be I can see I can see

This will be my last date with you

solo teclado F G C 2X

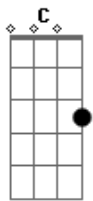

I know we had a quarrel

But all sweethearts do

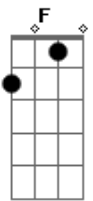

I gave my heart to prove to you
 That I would always love you and be true

I know you've met somebody new
 You'll tell me you and I are through
 My plans and dreams cannot come true
 And when you say goodbye I know I will cry
 'Cause I know it's my last date with you
