

# Skid Row - In A Darkened Room

tom:  
Intro: Em C D C  
[Primeira Parte]  
In a darkened room  
Beyond the reach of God's faith  
Lies the wounded  
The shattered remains of love betrayed  
[Segunda Parte]  
And the innocence  
Of a child is bought and sold  
In the name of the damned  
The rage of the angels left silent and Cold  
[Pré-Refrão 1]  
D Forgive me please  
For I know not what I do  
How can I keep inside  
The hurt I know is true  
[Refrão 1]  
Tell me when the kiss  
Of love becomes a lie  
That bears the scar of sin too deep  
To hide behind this fear  
Of running unto you  
Please let there be light

In a darkened room  
[Terceira Parte]  
All the precious times  
Have been put to rest again  
And the smile of the dawn  
Brings tainted lust singing my requiem  
[Quarta Parte]  
Can I face the day  
When I'm tortured in my trust  
And watch it crystalize  
While my salvation it crumbles to dust  
[Pré-Refrão 2]  
Why can't I steer the ship  
Before it hits the storm  
I've fallen to the sea  
But still I swim for shore  
[Refrão 2]  
Tell me when the kiss  
Of love becomes a lie  
That bears the scar of sin too deep  
To hide behind this fear  
Of running unto you  
Please let there be light
