PRE 1:

Lyrics:

Jesus knows my story
he knows the position that I'm in
A hooker knows the feeling
to get fucked the way I've seen
Turn my
Insides out
Your mouth
Drank my water

CHORUS 1:

CHORUS:
You look at me like I'm subhuman
You talk to me like I'm subhuman
You're treating me like I'm subhuman
You're jumping into the subhuman race

(no lyrics)

verse 2:

Brothers hear my story
But don't you take no pity out on me
A soldier know the feeling
To get pushed out in a field

PRE 2:

Taking
Liberties
Burned
By your dictation
