Make sure to add a lot of squeals to this, I didn't transcribe them, but in the verses and the chorus' the guitarists add TONS of squeals...I didn't get the last part of the solo, it's a mess, the key is Bminor so just run a **Bm** scale and end on **Gb** on the **G** string (11th fret)

=====

She blew my mind behind the wrecking machine  
She was a shitload of trouble called the Subway Queen  
Had a hip with bad habits and a shake that was a bit obscene  
One night I caught her running out the cellar door  
There was about a million people lying flat on the floor  
For such a sweet little lady I would swear she's rotten to the core

She got her hands in the cookie jar  
Smiling like an alligator  
Makin' headlines in the back of her car  
Tight-lipped now but sink ships later

I know a thing or two about -- sweet little sister  
Her mama kill her if she knew what she do -- sweet little sister  
She'll love ya black and blue -- sweet little sister  
Mona Lisa with a new tattoo  
She's my sweet little -- sweet little sister

Every quittin' time is another disease  
Too many cowboys ridin' high shootin' low at the knees  
The back hand boogie is the price you pay for being the squeeze

The pettin's getting heavy got her tongue in her ear  
her friend is doing time for kickin' ass on a queer  
They're in a mental state and all their friends are here

She's tellin' lies through her burgundy lips  
Angel on a mission of mercy  
She'll get you dancin' with the crack of her whip  
Take you up to heaven in her rocket ship

I know a thing or two about -- sweet little sister  
Her mama kill her if she knew what she do -- sweet little sister  
She'll love ya black and blue -- sweet little sister  
Mona Lisa with a new tattoo  
She's my sweet little -- sweet little sister

She got her hands in the cookie jar smiling like an alligator  
Makin' headlines in the back of her car  
Tight-lipped now but sink ships later

I know a thing or two about -- sweet little sister  
Her mama kill her if she knew what she do -- sweet little sister  
She'll love ya black and blue -- sweet little sister  
Mona Lisa with a new tattoo  
She's my sweet little -- sweet little sister
